

Educational Seminars

There is no better way to build your knowledge of wine than by following the time honored steps used by professionals to learn the trade. Wine Guy Tours offers programs that share trade insight and are both educational and entertaining.

Corporate and Association Seminars

Programs include:

"Wine Guy Certified in 90 Minutes"

Professional Wine Coaching (individual or small group)

- Wine Knowledge "Boot Camp" Modules

- Old World: France and Italy

- New World: U.S., Australia/New Zealand, Chile and South America

College and University Development Officers

Wine Guy Tours offers exclusive and unique wine excursions to support college and university development officers in their critical efforts. Our experienced wine coaches help you craft a one-of-a-kind experience for your alumni and friends amidst the incredible backdrops of Relais and Chateau.

College Students

Add an international wine experience to your college credentials. Learn ways to leverage wine knowledge as an advantage in your career. We partner with accredited academic institutions to provide programmatic experiences for undergraduate and graduate students in the fields of hospitality and business. This unique "for-credit" program delivers valuable insight and broad experience into the global industries of wine and tourism.
